NEWS FROM HERE AND ABOUT...

"Good things come to all who wait"...

Congratulations and welcome to two eager younger brothers who will finally get their chance!!

Thomas Maggiola (of Roswell, GA) joins older brothers, **Anthony** and **Sam** on the shores.

And **Esteban Nicolau** (of Mexico City, Mexico) joins his brothers **Alvaro** and **Joaquin**.

And "three's not a crowd" since each brother will have his own unit!!

.....

Joseph Polivka sent along this email: "I was just checking in to see how the fall season is going up there. I have been enjoying Rhode Island a lot, school is fun and challenging. I was sitting outside after class waiting for the bus while wearing my family camp shirt, and a lady asked if the "W" was for Winona. I was shocked to hear somebody else bring it up. I asked her how she knows about camp, she said that one of her cousins was **Eric Rawn**. It was a pleasant surprise to talk about camp after not being there for a bit. I hope everything is going well on the shores."

.....

"Uncles' "Sweetchuck" Russell, Matt (yes, that's Uncle Matt with hair) Shenk, Jim and Jimmy Erskine at Elon University.

Another email gave us an update of the trip from **Uncle Jim**:

"Not only did we meet those fellas at Elon but we continued onto Georgia Tech and on the way home stopped at Wake Forest for a fine dinner with Carter Eltzroth the IV."

Jake Kopell & Sam Wyllie-Cain on the slopes at Sunday River

Sara Griesemer sent along this great picture of **Jake & Sam** on November 1st. (Uncle Al has logged in a few days of early season skiing, too) Jake will have lots of on-snow time as he's a student at Gould Academy, only a few minutes from Sunday River.

Ben Miller - Lake Region Youth Football League

Ben Miller sent along this great picture and wrote:
"Hi Uncle Al,
How are you? My team went 7-5 for the season!
Say "Hi" to everyone for me."

Speaking of great pictures...Uncle **Clay Miles** has shots of campers from "101 Tons of Fun". To view and order go to: www.cjmiles.smugmug.com. Clay will donate portions of the proceeds to Winona's Campership Fund!!

Let's follow Ben's good example by sending me a picture from this fall or winter so I can share it in a BAT Bulletin.

Take care.

Uncle Al
