

BAT Bulletin June 2019

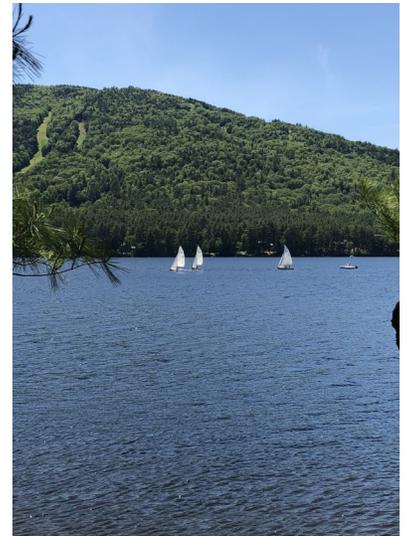

Monthly newsletter for campers and staff (and parents, too!)

We are just a few days away from Opening Day and Winona is busy with great pre-season activities. We host many staff training clinics, field days for our local public school and our own Winona staff training week, immediately before camp opens on Wednesday, June 26th. We are so excited!

Great outdoor classrooms for our many Winona-sponsored training clinics, including the Wilderness First Aid course shown here (left). Counselors from Winona and many other camps in Maine attend clinics for first aid, life guarding, riflery, sailing, power boating, canoeing and more!

Did you know Winona provides bug nets to any camper who wants one? No need to buy a bug net. The ones Winona supplies are easy to set-up AND easy to move out of the way for the times you don't need it.

2019 MOVIE SELECTIONS FOR MOOSE POND CINERAMA!

Winona hosted the Maine Canoe Symposium (MCS) in it's 34th year. The Symposium encourages participants of all ages to develop an understanding and appreciation of the diversity of North American canoeing heritage and to develop canoeing and related skills through educational workshops, presentations, and hands-on instruction.

MAINE CANOE SYMPOSIUM 2019

For 27 years, Winona has hosted our local elementary school end-of-year Field Days. This was a perfect day for the kids to paddle a canoe, play tag on the field and swim in Moose Pond! With nearby camps hosting the other two schools, every elementary school student in MSAD 61 district has access, via Maine Summer Camps, to a day of camp fun each year.

**WHEN SCHOOL IS OUT,
CAMP IS IN!**

We look forward to welcoming everyone on Opening Day, June 26th or on Mid-Season Day, July 20th!
Safe travels.
