2024 - OUR 117th SEASON

JUNIOR – AGES 8 - 11

INTERMEDIATE – AGES 11 - 13

SENIOR – AGES 13 - 15

CIT – AGES 16 - 17

TUITION

Tuition not only covers room, board, program and staff instruction, but also postage, laundry, bedding, stationery, camp pictures, address book, special transportation for out-of-camp trips, candy and Health Center care in camp.

TRAVEL

We encourage families to bring their sons to Winona via auto. If numbers permit, chaperons from Winona and Wyonegonic will escort campers from Greenwich, CT; Boston's Logan Airport, and the Portland International Jetport (in Maine) via chartered buses or vans. Campers are also chaperoned on their return trip to Greenwich, CT, and are placed on their flights home at Boston's Logan Airport and the Portland (Maine) Jetport by camp chaperons. Some transportation options require additional fees.

COMMUNICATION

Winona campers are encouraged to write letters, but they do not have access to email, or phones (an exception is made if a camper has a birthday while at camp). Further information about communicating with your son can be found in the Parents' Guide.

SPRING DETAILS

Pre-camp information is mailed to parents of enrolled campers monthly from February - June, including our *Parents' Guide*, transportation information and trunk shipping information. More details regarding Winona's policies and procedures can be found at our website: www.winonacamps.com.

CAMP UNIFORM

There is a minimum required amount of "campies" (Winona regulation shorts and shirts) for all campers. The Amerasport Company, Holliston, MA, [www.Amerasport.com] makes a specialty of outfitting boys' and girls' camps, and our outfit is purchased through them. Order forms with price list will be sent in the spring. Orders should be placed as early as possible to ensure delivery of articles at home before camp opens.

TRUNKS

Hard-sided trunks are recommended in order to store clothing at camp. When possible we will ship campers' trunks home by The Mailing Center, Inc. They can handle only those trunks which weigh less than 150 pounds and measure less than 130 inches (girth plus length). The trunks sold by Amerasport meet these specifications. Go to www.mailingctr.com for shipping instructions (large duffels can take the place of a hard-sided trunk, if necessary).

UNIT ASSIGNMENT

Each unit offers its own facilities and programs suited to the age and ability of its campers. A unit director, head counselor, tent and activity staff are retained specifically for each group. Sometimes final unit assignments for campers will not be made until after June 1. This allows us to accept a full enrollment and to assure that your son will be with boys within his own age group. In general, we do not allow boys who are friends from home, school or related family (i.e. twins or cousins) be in the same tent.
