NEWS FROM HERE AND ABOUT...

(be sure to email Winona your photos throughout the year to: [information@winonacamps.com](mailto:information@winonacamps.com))

From Lochlann O’Connell’s mom, “Lochlann on vacation last month. The hotel had a Laser which Lochlann was SUPER excited to try. When they went to sign the boat out, they told us there was no waiver to sign. They believed that if Lochlann could rig the boat himself, it would prove he knew how to sail it. So..... he did! And in fact, after he was done tooling around the Pacific Ocean, he brought the boat back and a dad came up to him and asked him to rig it all over again for him and his son! Lochlann was so proud of himself (as were we) and we wanted to thank Winona for this totally awesome new skill!!!”

“I just wanted to thank you for all that you have done to enrich our lives as a family. Inspired by trips to the Whites while working as a trip leader, we started climbing the 48 Four Thousand footers for a week following each summer at camp. Seven years later, we climbed #48, Mt. Carrigan, to complete the journey. We cherish this family time each year and will always remember our time on Moose Pond. It all started at camp,” from Will Hogue’s family.

2024 CITs will be announced in the next Bat Bulletin

Use the key above to decipher the codes on the left.

Example: Let’s decipher CPF. You’ll notice the top row of the key is the alphabet. The bottom are the corresponding letters.

C=A  
P=N  
F=D

CPF deciphered is the word AND.

The answers are on the right (spaces have been removed from the code for an added challenge).
